

Youth Inspire Community Day

Youth CommUNITY Day (YICD) is DTBY's signature event held annually in November for students in grades 9-12.

This hybrid event is the gateway to a series of smaller leadership development programs that take place throughout the year.

Our annual Youth Inspire Community Day is a summit for students in Grades 9-12 hosted by our Community Youth Council, filled with inspiring keynote speakers, personal development programming, engaging activities, and peer-mentorship opportunities to engage in life-changing personal development and community engagement activities.

This initiative is designed to provide high school students with a lasting source of inspiration and empowerment. We will be hosting smaller events throughout the year as an opportunity for ongoing engagement and empowerment.

November 9th

4:30-8:30 pm

We Mentor
We Inspire
We Build

We believe in the power of community as a key component of thriving and wellness, and aim to connect youth, facilitate opportunities for dialogue, and help them build the skills to truly thrive.
